

Amazing Love

God is great and great in mercy
Who sent Jesus here below,
Child of Mary, yet her Saviour,
Him through Whom all graces flow;
It was told from the beginning
Seed of woman would prevail,
Crush the power of the serpent
And we know His Word can't fail.

In His life lived to perfection
Not a blemish ever seen,
Tried by trial and temptation
Conquered all by love serene.
Healed the sick with great compassion
Brought the gospel to the lost
Mixed with outcasts and with sinners,
Bore their burdens to the cross.

In His death was death defeated,
There, the serpent's head was crushed;
What a victory accomplished!
Victory He won for us.
On the third day resurrected
Left behind an empty grave,
To His Father then ascended.
Through His work the millions saved.

What a glorious redemption!
What a mighty work of grace!
Love beyond our comprehension,
Truth in which our hope is based.
We now live with eyes on glory
See beyond what senses know,
Earthly things are transitory
And His saints are primed to go.

We will ever sing His praises
We will ever love His name,
Saints have blessed Him through the ages
We most gladly do the same;
Blessed be the Lord of glory
He Who came down from above
Our Redeemer, Lord and Saviour,
Son of God's amazing love.

Blessed be the Lord of glory
He Who came down from above
Our Redeemer, Lord and Saviour,
Son of God's amazing love.
